Each Unit Owner shall have a one forty-seventh (1/47) interest in the common surplus of the Association. Such interest in the common surplus does not, however, include the right to withdraw, require payment or distribution of the common surplus.

6. Maintenance, Repair and Replacement; Changes, Improvements and Additions; Surface Water or Storm Water Management System; Condominium Property. Responsibility for the maintenance, repair and replacement of the Condominium Property and restrictions upon changes, improvements and additions thereto shall be as follows:

C.1. Maintenance, Repair and Replacement - Association. The Association shall be responsible for the maintenance, repair and replacement of the Common Elements provided that any maintenance, repair or replacement to the exposed Common elements shall not result in a change to the appearance of the Building different from its appearance as originally constructed. The Association shall also be responsible for the maintenance, repair and replacement of conduits, ducts, plumbing lines, wiring and other equipment located within a Unit, provided each of the preceding are utilized for the purpose of furnishing Utility Services to part or parts of the Building other than the Unit within which located or are utilized for the purpose of furnishing Utility Services to more than one Unit. The Association shall further be responsible for, and Unit Owners shall not undertake, the maintenance, repair or replacement, except for routine maintenance, minor repairs or minor replacements which shall be the responsibility and costs of each Unit Owner, of certain exterior exposed parts of each Unit, such parts being the exterior glass windows, the exterior glass doors, the exterior panels and, the exterior surfaces which vertically and horizontally face the balcony areas of each Unit, provided that any routine maintenance, minor replacements by Unit Owners and any maintenance, repair or replacement of such exterior glass doors, exterior glass windows, exterior panels, parapet walls and exterior surfaces by Association shall not result in a change to the appearance of the Building different from its appearance as originally constructed and, further, provided that, where such exterior surfaces cannot be maintained, repaired or replaced, except by maintenance, repair or replacement of the surface beneath such exterior surfaces, then the Association shall be responsible for the maintenance, repair or replacement of the surface beneath such exterior surfaces. The Association shall further be responsible for all incidental damage to a Unit by reason of any maintenance, repair or replacement undertaken by it pursuant to all of the preceding. All costs associated with the Association's responsibilities of maintenance, repair and replacement shall be a Common Expense. If a dispute should occur as to whether maintenance

Each Unit Owner shall at his cost be responsible for the maintenance, repair and replacement of all parts of his Unit, including routine maintenance, minor repairs and minor replacements as provided in Paragraph 6.1, and including but not limited to maintenance, repair and replacement of all fixtures, mechanical and electrical equipment such as heating and air conditioning systems and any other item of equipment, furnishings and any other item contained with each Unit, except as otherwise provided in Paragraph 6.1. 6.3 Changes, Improvements and Additions, Association.

After completion by Developer of the improvements to the Condominium Property and except as otherwise provided below, the Association shall have the right to make or cause to be made changes, improvements or additions to the Common Elements provided any such changes, improvements or additions are approved by the Board of Directors of the Association. The cost of any such changes, improvements or additions shall be a Common Expense. The Association shall not, however, make or cause to be made any changes, improvements or additions to the Common Elements which would result in the partial or total enclosure of any part or all of any balcony or terrace or which would result in a change to the appearance of the Building different from its appearance as originally constructed. This paragraph shall, however, have no application to the rights vested in Developer

pursuant to the provisions of Paragraphs 3.2 and 3.3 hereof.

6.1 Changes, Improvements and Additions, Unit Owners.

Except as otherwise provided herein, a Unit Owner may at his cost make such changes, improvements or additions to his Unit as he may desire, except that a Unit Owner shall not make any changes, improvements or additions to the exterior exposed to the elements parts of his Unit which the Association is required to maintain, repair or replace pursuant to the provisions of Paragraph 6.1 and, except that, a Unit Owner shall not make any changes, improvements or additions to his Unit which would result in the partial or total enclosure of any part or all of his balconies except as authorized under Florida Statutes 718.113(5).

System. The Association shall be responsible for the maintenance, operation and repair of the Surface Water or Storm Water Management System. Maintenance of the Surface Water or Storm Water Management System shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other surface water or storm water management capabilities as permitted by the St. Johns River Water Management District. The Association shall be responsible for such maintenance and operation. Any repair or reconstruction of the surface water or storm water management system shall be as permitted, or if modified as approved by the St. Johns River Water Management District. In order to provide adequate assurance that this storm water management system will adequately function, the following maintenance procedures are hereby established as responsibilities of the association, which responsibilities shall be performed by its staff, or in the alternative, by maintenance contract:

Page: 2603

Any amendment to this Declaration of Condominium which alters the surface water or storm water management system, beyond maintenance in its original condition, including the water management portions of the common elements, must have the prior approval of the St. Johns River Water Management District. The St. Johns River Water Management District shall have the right to enforce, by a proceeding at law or in equity, the provisions contained in this Declaration which relate to the maintenance, operation and repair of the surface water or storm water management system.

7. Assessments. The Board of Directors of the Association shall fix and determine from time to time the sum or sums of money necessary and adequate to provide for the Common Expenses and shall assess the Unit Owners for said sums. The procedure for the making and collection of such assessments shall be set forth in the By-Laws of the Association. All assessments, including special assessments pursuant to Paragraphs 9.2(d)(1) and 9.2(e)(3)(ii) hereof, shall be the personal obligation of each Unit Owner, and each Unit Owner, regardless of how title is acquired, including a purchaser at a judicial sale, shall be liable for all assessments coming due while he is the Unit Owner, including interest thereon, as hereinafter provided, and all costs incident to the collection thereof including attorney's fees at trial or on appeal. In a voluntary conveyance (other than a deed in lieu of foreclosure), the grantee shall be jointly and severally liable with the grantor for his share of all assessments up to the time of conveyance, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee.

7.1 Interest, Application of Payments. All assessments, including special assessments pursuant to Paragraphs 9.2(d)(1) and 9.2(e)(3)(ii) hereof, and installments thereon not paid when due shall bear interest at the rate of 18 percent per annum from the date when due until paid. All payments on account shall be first applied to interest, and then to the assessment payment first due.

7.2 Lien for Assessments. The Association shall have a lien against each Condominium Parcel for any unpaid assessments,

including special assessments pursuant to Paragraph 9.2(d)(1) and 9.2(e)(3)(iii) thereof, and for interest accruing thereon, which lien shall also secure reasonable attorney's fees incurred by the Association incident to the collection of any such assessment or enforcement of such lien, whether or not legal proceedings are initiated. The lien is effective and shall relate back to the recording of the original Declaration of Condominium. However, as to first mortgagees of record, the lien is effective from and after recording of a claim of lien in the Public Records of Volusia County, Florida. All such liens shall state the legal description of the condominium unit, the name of the unit owner, the amount due and the due dates. No lien shall continue for longer than one year unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. Such claim of lien shall be signed and acknowledged by an officer of the Association. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien, to be prepared and recorded at his expense. The assessment lien provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereafter placed upon the Condominium Parcel subject to assessments, provided that such mortgage or mortgages are recorded prior to the Association's claim of lien. The Association's lien may be foreclosed by suit brought in the name of the Association in like manner as a foreclosure of a mortgage on real property, and the Association may also, at its option, sue to recover money judgments for any unpaid assessments without thereby waiving the lien securing the same.

When the mortgagee of a first mortgage of record or other purchaser of a Condominium Unit obtains title to the Condominium Unit as a result of foreclosure of the first mortgage, or as a result of a deed given in lieu of foreclosure, such acquirer of title and his successors and assigns shall be liable for the unpaid assessments that become due prior to mortgagees receipt of the deed. However, the mortgagee's liability is limited to a period not exceeding six (6) months, and in no event shall the mortgagee's liability exceed one percent (1%) of the original mortgage debt. The first mortgagee's

Liability for such expenses or assessments shall not commence until thirty (30) days after the date the first mortgagee received the last payment of principal or interest. In no event shall the mortgagee be liable for more than six (6) months of the unit's unpaid common expenses or assessments accrued before the acquisition of title to the unit by mortgagee or one percent (1%) of the original mortgage debt, whichever amount is less. The unpaid share of Common Expenses or any special assessments are collectible from all of the Unit Owners including such acquirer, his successors and assigns. A first mortgagee acquiring title to a Condominium Parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not during the period of its ownership of such Condominium Parcel, whether or not such Condominium Parcel is unoccupied, be excused from the payment of some or all of the Common Expenses or any special assessments coming due during the period of such ownership.

7.3 Commencement of Assessments. Assessments for Common Expenses shall commence no earlier than the first day of the month next succeeding the date of closing the first Condominium Parcel purchase, except for the Developer who shall begin to pay assessments on Developer-owned units on the first day after the fourth calendar month after the date of closing of the first Condominium Parcel purchase. However, the Developer must pay the portion of common expenses incurred during that period which exceed the amount assessed against other unit owners as provided in Florida Statute 718.116(9)(a).

7.4 Working Capital Fund. Each purchaser of a Condominium Parcel from the Developer shall pay an amount equal to two months estimated assessments at the time of closing of the Condominium Parcel, which amount shall be contributed to an initial working capital fund of the Association. After the first day of the fourth calendar month after the date of closing of the first condominium purchase, it may be utilized for the purchase of pool and office furniture and other furniture, building and grounds equipment and other equipment, lawn mowers, office supplies, utility deposits, other supplies and for start-up Common Expenses and other Common Expenses.

8. Association. The operation of the Condominium shall be by Seawinds Condominium Association of/ ^{Ormond Beach, Inc.,} a corporation not-for-profit under the laws of the State of Florida. Each Unit Owner shall hold membership in the Association and an interest in the funds and assets held by the Association. Membership of each Unit Owner in the Association shall be acquired pursuant to the provisions of the Articles of Incorporation and By-Laws of the Association. The interest of each Unit Owner in the funds and assets of the Association shall be in the same proportion as the liability of each Unit Owner for Common Expenses. The Association shall fulfill its functions pursuant to the following:

8.1 The Condominium Act. The Condominium Act.

8.5 Restraint Upon Assignment of Shares and Assets. The share of a member in the funds and assets of the Association cannot and shall not be assigned, hypothecated or transferred in any manner except as an appurtenance to his Condominium Parcel.

8.6 Contracts. The Association, prior to passage of control, as described in the By-Laws and Florida Statutes 718.301 shall not be bound by and shall not enter into contracts or leases (including a management contract) unless there is a right of termination of any such contract or lease, without cause which is exercisable without penalty at any time after transfer of control upon not more than ninety (90) days notice to the other party.

9. Insurance.

9.1 Liability Insurance. The Board of Directors of the Association shall obtain public liability and property damage insurance covering all the Condominium Property, and insuring the Association, the Unit Owners, as its and their interests appear, in such amount and providing such coverage as the Board of Directors of the Association may determine from time to time. Premiums for the payment of such insurance shall be paid by the Association, and such premiums shall be a Common Expense.

9.2 Casualty Insurance.

(a) Purchase of Insurance. The Association shall obtain fire and extended coverage insurance with other perils endorsement and vandalism and malicious mischief insurance, insuring all of the improvements on the Condominium Property, and all property owned by the Association, in and for the interests of the Association, all Unit Owners and their first mortgagees of record, as their interests may appear, in a company acceptable to the Board of Directors of the Association, in an amount equal to the maximum insurable replacement value as determined annually by the Board of Directors of the Association. The premiums for such coverage and other expenses in connection with said insurance shall be paid by the Association and such premiums and other expenses shall be a Common Expense.

(b) Loss Payable Provisions. All policies purchased by the Association, shall be for the benefit of and made payable to the Association and all Unit Owners, and their first mortgagees of record, as their interests may appear. (ii) Very Substantial Loss or Damage when Building is not to be Repaired or Reconstructed. Very Substantial Loss or Damage when the Building is not to be repaired or reconstructed, as hereinafter provided, for all Unit Owners, each Unit Owner's share being in proportion to his share in the Common Elements appurtenant to his Unit.

(3) Mortgages. In the event a mortgagee endorsement has been issued to a Unit, the share of the Unit Owner shall be held in trust for the first mortgagee of record and the Unit Owner, as their interests may appear, provided, however, that no first mortgagee of record or any other mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired.

(c) Distribution of Proceeds. Insurance Policy proceeds received by the Association shall be distributed to or for the benefit of the beneficial owners, and expended or disbursed in the following manner:

(1) Reconstruction or Repair. If the loss or damage for which the proceeds were paid is to be repaired or

Book: 4024
Page: 2609

reconstructed, as hereinafter provided, the proceeds shall be paid to defray the costs thereof. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners, all remittances to Unit Owners and their first mortgagees of record being payable jointly to them and distributed, as between them, pursuant to the terms of the mortgage. This is a covenant for the benefit of any first mortgagee or record of a Unit and may be enforced by such first mortgagee.

(2) Failure to Reconstruct or Repair. If it is determined in the manner hereinafter provided that the loss or damage for which the proceeds are paid shall not be repaired or reconstructed, the proceeds shall be disbursed to the beneficial owners, remittances to Unit Owners and their first mortgagees of record being payable jointly to them and, as between them, distributed pursuant to the terms of the mortgage. This is a covenant for the benefit of any first mortgagee of record of a Unit and may be enforced by such first mortgagee. In the event of loss or damage to personal property belonging to the Association, and should the Board of Directors of the Association determine not to repair or replace such personal property, the proceeds shall be disbursed to the beneficial owners as surplus, in the manner elsewhere stated herein.

(3) Certificate. Prior to making any distribution to Unit Owners and their first mortgagees, the Association shall prepare or cause to be prepared a certificate with the names of the Unit Owners and their first mortgagees of record, such certificate to be approved in writing by an attorney authorized to practice law in the State of Florida, or a title insurance company or abstract company authorized to do business in the State of Florida, prior to any distributions being made.

(d) Loss of Damage Less than Very Substantial Loss or Damage. Where loss or damage occurs with a Unit or Units, or to the Common Elements, or to any Unit or Units and the Common Elements, but said loss or damage is less than Very Substantial Loss or Damage, it shall be obligatory upon the Association and the Unit Owners to repair or reconstruct the damage caused by said loss. Where such loss or

Book: 4024
Page: 2610

damage is less than Very Substantial Loss or Damage, the Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the costs of repairing or reconstructing, and after obtaining the same the Association shall promptly contract for the repair or reconstruction of such loss or damage. No first mortgagee of record or any other mortgagee shall have the right to require the application of insurance proceeds to the payment of its loan except as to remaining proceeds, as provided in Paragraph 9.2(c)(1) hereof.

(1) Assessments for Repair and Reconstruction.

If the proceeds of insurance are not sufficient to defray the estimated cost of repair or reconstruction, or if at any time during repair or reconstruction, or upon completion of repair or reconstruction, the funds for payment of the cost of repair or reconstruction are insufficient, a special assessment shall be made by the Board of Directors of the Association in sufficient amount to provide funds for the payment of such costs. Such assessment shall be in proportion to each Unit Owner's share of Common Elements.

(e) Very Substantial Loss or Damage. Should Very Substantial Loss or Damage occur, then:

(1) The Board of Directors of the Association shall promptly obtain reliable and detailed estimates of the cost of repair or reconstruction.

(2) The Board of Directors of the Association shall ascertain as promptly as possible the net amount of insurance proceeds available for repair or reconstruction. No first mortgagee of record or any other mortgagee shall have the right to require the application of insurance proceeds to the payment of its loan except as to remaining proceeds, as provided in Paragraph 9.2(c)(1) hereof and except as provided in Paragraph 9.2(c)(2) hereof.

(3) Thereupon, a special meeting of members shall be called by the Board of Directors of the Association to be held not later than sixty days after the casualty, to effect the termination of the Condominium, subject to the following:

BOOK: 4024
PAGE: 2611

(i) If the net insurance proceeds available for repair or reconstruction are sufficient to cover the cost thereof, so that no special assessment is required, then the Building shall be repaired or reconstructed, unless sixty percent of the total number of members of the Association entitled to vote, vote to terminate this Condominium in which case the Condominium Property shall be removed from the provisions of the law by the recording, in the Public Records of Volusia County, Florida, of an instrument terminating this Condominium, which instrument shall further set forth the facts effecting the termination, certified by the Association and executed by its president and secretary. Termination of the condominium must be approved by all mortgagees of record as evidenced by written consents recorded in the public records of Volusia County, Florida. The termination of the Condominium shall become effective upon the recording of said instrument in the Public Records of Volusia County, Florida, and the Unit Owners shall thereupon become owners as tenants in common of the Condominium Property, and their undivided interests in the Condominium Property as tenants in common shall be the same as their undivided interest in the Common Elements prior to termination. Upon termination, all mortgages and other liens upon Condominium Parcels shall become mortgages and liens upon the undivided interest of such tenants in common, with the same priority as existed prior to the termination of the Condominium.

(ii) If the net insurance proceeds available for repair or reconstruction are not sufficient to cover the cost thereof, so that a special assessment will be required, the Board of Directors shall determine the amount of such assessment. If after discussion of such assessment, sixty percent of the total number of members of the Association entitled to vote shall vote to terminate this Condominium, then it shall be so terminated and the Condominium Property shall be removed from the provisions of the law in accordance with the procedures set forth in Paragraph 9.2(e)(3)(i) hereof, and the Unit Owners shall thereupon become owners as tenants in common of the Condominium Property in such undivided interest, and all mortgages and other liens upon the Condominium Parcels shall encumber the undivided

BOOK: 4024

interest of such tenants in common, as provided in Paragraph 9.2(c)(3)(i) hereof. If the Condominium is not terminated as above provided, the Board of Directors of the Association shall immediately levy such assessment, such assessment to be made in the manner and as provided in Paragraph 9.2(d)(1) hereof, and thereupon, the Association shall proceed to negotiate and contract for such repairs or reconstruction.

(4) If a dispute should occur as to whether Very Substantial Loss or Damage has occurred, the Board of Directors of the Association shall decide the question and their decision shall be binding and conclusive upon all Unit Owners.

(f) Surplus. It shall be presumed that the first monies disbursed in payment of costs of repair or reconstruction shall be from the insurance proceeds, and if there is a balance in the funds after the payment of all costs of repair or reconstruction, such balance shall be distributed to the beneficial owners of the fund in the manner heretofore provided.

(g) Plans and Specifications. Any repair or reconstruction must be substantially in accordance with the plans and specifications for the original Building, or as the Building was last repaired or reconstructed.

(h) Association's Power to Compromise Claim. The Association is hereby irrevocably appointed agent for each Unit Owner for the purpose of compromising and settling claims arising under insurance policies purchased by the Association and to execute and deliver releases therefor upon the payment of claims.

9.3 Workmen's Compensation Policy. Policies of workmen's compensation insurance shall be obtained to meet the requirements of law.

9.4 Other Insurance. The Association is authorized to obtain such other insurance as the Board of Directors of the Association shall determine from time to time to be desirable. The Board of Directors of the Association may obtain insurance policies, as provided under this Paragraph 9, which contain such deductible clauses as the Board of Directors determines.

PAGE: 2613

9.5 Unit Owner's Insurance. Each Unit Owner shall be responsible for purchasing, at his own expense, liability insurance upon his own personal property and such other insurance as he shall desire.

9.6 Insurance Companies. Insurance companies authorized to do business in the State of Florida shall be affirmatively presumed to be good and responsible companies, and the Board of Directors of the Association shall not be responsible for the quality of financial responsibility of the insurance companies provided same are licensed to do business in the State of Florida.

10. Use Restrictions. The use of the Condominium Property shall be in accordance with the following provisions as long as the Condominium exists.

10.1 Units. Each of the Units shall be occupied only as a single family residential dwelling by the Unit Owner, members of his family, his guests, invitees, and lessees, and in the case of lessees, their families, guests and invitees. So long as Developer owns a Unit, it or its agents may utilize a Unit or Units for a sales office, a model Unit or any other usage for the purpose of selling Units.

All parts of the Condominium Property shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage allowed to accumulate nor any fire hazard allowed to exist. No Unit Owner shall permit any use of his Unit or make any use of the Common Elements that will increase the cost of insurance upon the Condominium Property.

10.5 Leasing of Units. Leasing of apartment units is not restricted. Each unit owner may lease his apartment unit upon such terms and conditions as he may desire, provided that the lease of an apartment unit shall not discharge the apartment unit owner from compliance with any of his obligations and duties as an apartment unit owner. All of the terms and provisions of the Condominium Act, the Declaration, Articles of Incorporation, the By-Laws, and the rules and regulations of the Association pertaining to use and occupancy shall be applicable and enforceable against any person occupying a Unit as a tenant to the same extent as against a Unit Owner, and a covenant upon the part of each such tenant to abide by the rules and regulations of the Association, and the terms and provisions of the Condominium Act, this Declaration, the Articles of Incorporation and By-Laws of the Association.

10.6 Signs. No "For Sale" or "For Rent" signs or any other type of sign or other displays or advertising shall be maintained on any part of the Common Elements, Limited Common Elements or the Units, except for identification signs located on the exterior of the Building which are part of the original construction of the Building or signs which are located within the interior of the Building not visible to view from the exterior of the Building and except that the right is specifically reserved to the Developer to place "For Sale" or "For Rent" signs in connection with any unsold or unoccupied Units it may from time to time own.

10.7 Parking Spaces. No trucks other than pick-up trucks with a capacity of less than or equal to one-half (1/2) ton, commercial vehicles, boats, house trailers, boat trailers, mobile homes, campers or trailers of any description shall be parked in any parking space except with the written consent of the Board of Directors of the Association. This prohibition of parking shall not apply to temporary parking of trucks and commercial vehicles, such as for pick-up, delivery, and such other services as may be necessary. One underground parking space may be assigned to each Unit as

described in Paragraph 4.2 above. The unassigned parking spaces shall be considered common elements available to all owners.

10.10 Antennae. No television antennae or towers of any nature shall be erected on any part of the Condominium Property, except that one television antenna or receiver may be used as a master antenna or receiver for each apartment building. Not more than three (3) Ham Radio antennae may be erected by unit owners on the roof of the building to be located adjacent to the elevator shaft. No such antennae may be more than 20 feet in length. The right to erect said antennae shall be allocated to unit owners based upon the priority of their request to erect such antennae made to the Association.

10.11 Cooking. No cooking of any nature whatsoever shall take place or be permitted on Unit balconies.

10.12 Pets. Owner, guests or lessees are not permitted to have dogs larger than lap dogs (small enough to be held in the owner's lap, and weighing less than 35 pounds) on Condominium Property or in owner's apartment. Dogs, when not in owner's apartment must be on leash and may be exercised on Condominium Property in designated area only. Owner, guest or lessee is liable for any damage to Condominium Property by action of his/her dog. Each Unit Owner shall be governed by and shall comply with the terms and provisions of the Condominium Act, this Declaration, the Articles of Incorporation and By-Laws of the Association, and the rules and regulations adopted pursuant thereto, as they all may be amended from time to time. Failure of a Unit Owner to comply shall entitle the Association or any aggrieved party to the following relief in addition to the remedies provided by the Condominium Act.

12.1 Negligence. A Unit Owner shall be liable for the expense of any maintenance, repair or replacement rendered necessary by his act or neglect, or the act or neglect of any member of his family, his guests, employees, agents, invitees or lessees, but only to the extent that such expense is not met by the proceeds of insurance carried by the Association.

12.2 No Waiver of Rights. The failure of the Developer, the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Condominium Act, this Declaration, the Articles of Incorporation and By-Laws of the Association, or the rules and regulations of the Association shall not constitute a waiver of the right to do so thereafter.

13. Amendments. Except as otherwise provided in Paragraphs 3.1, 3.2 and 3.3, and 6.5, and except as otherwise provided in Paragraph 13.4, amendments to this Declaration shall be proposed and adopted in the following manner.

Further, no amendment to Paragraph 14, entitled "Termination", or any part thereof, including sub-paragraphs, shall be effective unless the Unit Owners of 75% of all Condominium Parcels and the owners of all first mortgages of record on such Condominium Parcels join in the execution of any such amendment. Further, no amendment to Paragraph 6, entitled "Maintenance, Repair and Replacement; Changes, Improvements and Additions; Condominium Property", or any part thereof, including sub-paragraphs, shall be effective unless the Unit Owners of 75% of all Condominium Parcels join in the execution of any such amendment.
